

Tongxiang City, China, April 19, 2025

Zhejiang Huayou Cobalt Co., Ltd. (the “ ”) today reported financial results for the full year ended 31 December 2024 and first quarter of 2025.

In 2024, the Company improved operation efficiency and quality by optimizing the products structure, expanding the market, increasing orders, increasing loads, and reducing costs, and achieved operating income of RMB 60.95 billion and net profit attributable to shareholders of the listed company of RMB 4.15 billion, a year-on-year growth of 23.99%, creating the best operating performance since its establishment.

In first quarter of 2025, the Company achieved operating income of RMB17.84bn, an increase of 19.24% over the same period last year; the Company achieved net profit attributable to shareholders of the listed company of RMB 1.25bn, an increase of 139.68% over the same period last year. The increase in profit was mainly due to an increase in shipments of products, and decrease in cost and fees in the first quarter of 2025.

The Company made provision for inventory impairment of RMB 313 million, made provision for goodwill impairment of RMB 195 million, and released the provision for impairment of receivables of RMB 14 million, which in total reduced the Company’s profit in 2024 by RMB 494 million. The Company conducted a comprehensive examination and impairment testing of various assets as of December 31, 2024. Based on the testing results, the Company made provisions for impairment for assets where impairment indicators were identified.

To ensure a reasonable return to shareholders and support the Company’s long-term development, it is proposed to distribute a cash dividend of RMB 5.00 (tax included) for every 10 A-shares held by shareholders in FY2024. This proposal needs to be submitted to the Annual General Meeting of the Company to be held on 9 May 2025 for review.
